About SALT:

The Seniors and Law Enforcement Together Council (SALT) works to identify the needs of our senior community and develop programs to address those concerns. Senior volunteers, representatives from local law enforcement agencies, County Attorney's office, Retired and Senior Volunteer Program, Elk River Activity Center and other local organizations help to support our senior population by serving on this Council.

Donations that help to defer registration costs have been received from the Sherburne County Attorney's Office and the Eddy Family Foundation.

Treat yourself and your friends to a day of learning and conversation!

Lunch Includes: Assorted deli sandwiches with various fixings, chips, pasta, salad, and dessert.

This is a great learning opportunity and a way to make new connections. Converse with other seniors and your local law enforcement staff.

Vendors will also be on hand during break times so you can learn more about community services available to you. We hope to see you there!
