<https://zoom.us/j/99399053419?pwd=UUxqVENUVnJYdmtWaXVLRVpaYXFPQT09>

---

### MISSION STATEMENT

We will collaborative to provide services that are family friendly and easily accessible in time, location and dollars including:

Identification and referral for resources in all community settings (court, church, school, etc.)

With a range of services that are appropriate and comprehensive

That encompasses prevention and education, crisis intervention and treatment, and on-going services

### VISION

Families are functioning well holistically (emotionally, physically, economically, and spiritually).

Children and youth will mental health challenges and their families will have their needs met through services that are appropriate, easily accessible and empowering.
