
SHERBURNE COUNTY ORDINANCE

AN ORDINANCE REQUIRING SUBMISSION AND APPROVAL
BY THE SHERBURNE COUNTY SURVEYOR
OF ALL PLATS WITHIN SHERBURNE COUNTY

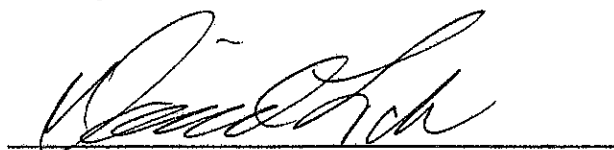

Subdivision 1. No subdivision, registered land survey or condominium plat may be recorded in Sherburne County until such plat has been reviewed and approved by the Sherburne County Surveyor.

Subdivision 2. The Sherburne County Surveyor shall indicate his or her approval of proposed subdivision, registered land survey or condominium plats by affixing his or her signature on the plat. In the event the Sherburne County Surveyor is not available to review and approve a plat, then the plat shall be reviewed and approved in the same manner by the Deputy Sherburne County Surveyor, provided said deputy is licensed under Minnesota Statutes Chapter 326; if the Deputy Sherburne County Surveyor is not so licensed, the plat approval may be signified by the signature of a licensed land surveyor designated by the Sherburne County Surveyor after the plat has been received, reviewed and approved by the Deputy County Surveyor.
