

Central MN CHIP 2019-2022 Implementation Strategy

How will we get there?

The Region will utilize the following goal areas to work on the top community priorities of building families and mental well-being.

Central MN CHIP 2019-2022 Implementation Strategy

Community Collaboration

Goal:

The Region will utilize community collaboration to work on the top community priorities of building families and mental well-being.

Performance Measure:

For the time period of 7/1/19 – 6/30/22, one community meeting will be held each year for the 3 years to bring the partners within the community together to discuss best practice and / or evidence-based programs specific to building families and mental well-being. Attendance at the meetings will be tracked to encourage networking and increase participation.

Population Measures:

percentage of adults in the 3-county region view parents with inadequate or poor parenting skills as a moderate or serious problem in the community

- 51% of adults in the 3-county region view parents with inadequate or poor parenting skills as a moderate or serious problem in the community - 2016 Central Minnesota Community Health Survey, Question: In your opinion, how much of a problem is parent with poor parenting skills? Responses: No problem, Minor problem, Moderate problem, Serious problem.

Children in out of home placement (OHP)-

- 10 out of 1,000 children in the 3-county region are in out-of-home placements- MN Department of Human Services, Minnesota's Out-of-Home Care and Permanency Report 2017, Table 6: Number of children in out-of-home care by sex and agency with U.S. Census child population estimate and rate per 1,000, 2017.

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 1: Expand reach and capacity to serve more at-risk families in the Central MN region through best practice and evidence-based practices for prenatal education and awareness.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Input from broad representation of region. FHV Coalition: 85% of FHV target caseloads reached. Childbirth Classes & Car Seat Clinics <ul style="list-style-type: none"> • St. Cloud Hospital • CentraCare Health- Melrose • CentraCare Health- Paynesville • CentraCare Health- Sauk Centre Explore programs for incarcerated parents.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager PH and Econ. Supports, Sherburne County Gloria Sorem- Lead Public Health Nurse, Sherburne County Renee Frauendienst- Public Health Director, Stearns County Mike Matanich- Public Health Supervisor, Stearns County Lindsay Hackett- Public Health Supervisor, Stearns County Adam Johnson- Public Health Supervisor, Stearns County Mary Zelenak- Public Health Supervisor, Stearns County Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing 2019-2022- Partners would be notified as soon as annual community meeting dates are scheduled		
Progress Notes:		

Strategy 2: Utilize hospital space to promote community events and education for other organizations and agencies.

Agency: St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Space can be utilized by Women, Infants, and Children (WIC) to promote healthy food choices for pregnant women, infants, and children, as well as Alcoholics Anonymous to provide optimal peer support in addiction recovery.	Persons in Charge:
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing- classes held twice monthly 2019-2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 3: Host annual Community Event to promote community involvement in a healthy activity and participation activities with residents.

<u>Agency:</u> CentraCare Health- Paynesville	<u>Outcome:</u> Promote healthy living opportunities. Collaboration between CentraCare and community members to promote and staff the event.	<u>Persons in Charge:</u>
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing- annual event 2019-2022		
Progress Notes:		

Strategy 4: Implement three (3) recommendations listed in the 2018 Master Bicycle & Pedestrian Plan to increase physical activity and active transportation opportunities for all Melrose residents.

<u>Agency:</u> CentraCare Health- Melrose	<u>Outcome:</u> Support a healthy and active community. Make bicycling and walking a more viable mode of transportation to contribute to enhanced quality of life and improve safety/reduce injury.	<u>Persons in Charge:</u>
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing 2019- 2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 5: Core Support Team responsible for scheduling one meeting per year.

<p>Agency:</p> <p>Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre</p>	<p>Outcome:</p> <p>Meeting will be held, and networking will take place.</p>	<p>Persons in Charge:</p> <p>Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare</p>
<p>Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being</p>		
<p>Target Date: By 2/28 of each Fiscal year 2019-2022</p>		
<p>Progress Notes:</p>		

Central MN CHIP 2019-2022 Implementation Strategy

Equity

Goal:

The Region will utilize equity to work on the top community priorities of building families and mental well-being.

Performance Measure:

By April 2021, develop a framework within which Central MN CHIP identifies a process to address equity while addressing top community priorities of building families and mental well-being. Measuring active and engaged persons and agencies contributing to the creation of the framework.

Population Measures:

Percent difference of 1 or more ACEs by income level (< or > 200% Poverty Level).

Colon Cancer screen total population

- Baseline February 2019- 79.4%, 0.7 % above target rate of 78.7%) and colon cancer screen people of color (baseline February 2019- 51.4%, 0.8% below target rate of 52.2%)- CentraCare quality data.

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 1: Develop common understanding of equitable practices and identify any training needs.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Continue following up on HEDA activities. Continued progress with Staff Equity Committees. Increasing community awareness of focus on diversity and inclusion. Move toward integration of equity practice between the health care system and public health.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Cody Engelhaupt, Lead Community Health Coordinator, Sherburne County Mike Matanich- Public Health Supervisor, Stearns County Lindsay Hackett- Public Health Supervisor, Stearns County Adam Johnson- Public Health Supervisor, Stearns County Mary Zelenak- Public Health Supervisor, Stearns County
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Framework complete by April 2021		
Progress Notes:		

Strategy 2: Sustain the Workplace & Patient Diversity department including the CentraCare Health- Health Equity Steering Committee framework. Increase awareness among Central MN CHIP partners of this department and its services.

Agency: St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Maintain system support of the strategic priority of engaging patients as partners to advance health equity to support the Triple Aim plus People. Increase community awareness of CentraCare Health's focus on diversity and inclusion.	Persons in Charge: Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Annual December touch base with Dir. of Workplace & Patient Diversity; report to Central MN CHIP Core Support Team at yearly meeting 2019-2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 3: Hospital OB staff to offer childbirth education classes to expecting families.

Agency: CentraCare Health- Melrose CentraCare Health- Paynesville	Outcome: Prepare families for childbirth; familiarize new parents with the process of labor, delivery, postpartum, and breastfeeding.	Persons in Charge:
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing- two classes offered annually 2019-2022		
Progress Notes:		

Strategy 4: Launch and sustain a Power of Produce (PoP) Club program at the Melrose Community Farmers Market.

Agency: CentraCare Health- Melrose	Outcome: Increase healthy food access for children and families in Melrose (Access to affordable and healthy foods). Increase family participation at farmers markets and builds healthier communities.	Persons in Charge:
Priority: <input checked="" type="checkbox"/> Building Families <input type="checkbox"/> Mental Well-Being		
Target Date: Ongoing- During farmers market season each summer 2019-2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 5: Engage existing community population groups and/or existing groups that represent or work with under-represented populations.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Community input will be provided to the process.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: April 2021		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Awareness

Goal:

The Region will utilize awareness to work on the top community priorities of building families and mental well-being.

Performance Measure:

Create a community education campaigns of easily digestible education messaging around the priorities of building families and mental well-being, work with partners (including schools & faith communities) to distribute the messaging, report quarterly at Central MN CHIP Core Support Team meetings on experience with distribution activities. Outreach activities will be counted.

Population Measures:

Number of adults who have been told they have a mental health condition-

- Baseline: 40% of Benton County residents, 28% of Sherburne County residents, and 26% of Stearns County residents have been told they have a mental health condition- 2016 Central Minnesota Community Health Survey, Question: Have you ever been told by a doctor, nurse, or other health care professional that you had depression or anxiety/panic attacks or other mental health issues? Responses: Yes or No.

Deaths by suicide in the 3-county region

- Baseline: suicide is 7th leading cause of death and 4th leading cause of premature death for deaths under the age of 75 years old)- Minnesota Department of Health, Minnesota County Health Tables, Mortality Table 4: Minnesota 10 Leading Causes of Death by State and County 2016, Mortality Table 5: Minnesota Premature Deaths (under age 75) by Number and Age Adjusted Death Rates by State and County, 2012-2016.

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 1: Collaborate with Central MN CAMHI (CommUNITY Adult Mental Health Initiative) to get the word out about their website and increase resources that pertain to mental well-being.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Increased use of the CAMHI website. Community knowledge and awareness of CAMHI. Increased support of single platform (CAMHI) for mental health.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: April 2022 (3-year campaign)		
Progress Notes:		

Strategy 2: Help our partners incorporate mental well-being into their daily practice.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Community ownership of family and mental well-being programs, as demonstrated by increased volunteerism and resource allocation. Family Fun Nights, Safe Families, and Trauma-Informed Congregations. Continue the work of Feeling Good MN.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager PH and Econ. Supports, Sherburne County Mike Matanich- Public Health Supervisor, Stearns County Lindsay Hackett- Public Health Supervisor, Stearns County Adam Johnson- Public Health Supervisor, Stearns County Mary Zelenak- Public Health Supervisor, Stearns County Jodi Gertken- Community Wellness Program Director, CentraCare Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing from 2020 through 2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Resilience

Goal:

The Region will utilize resilience to work on the top community priorities of building families and mental well-being.

Performance Measure:

Utilize existing partner resilience programming (i.e. Bounce Back Project, Change to Chill, Yellow Zone, etc.) to ensure at least one presentation per quarter in each county. Ultimately, we want to see these programs grow in our region.

Population Measures:

Percentage of residents who experience ACEs-

- Baseline: 75% of residents living below the 200% of poverty line have at least 1 Adverse childhood experience (ACE), compared to 55% of residents living above 200% poverty line- 2016 Central Minnesota Community Health Survey, Question: Combined ACE score. Responses: 0, 1, 2, 3, 4+.

Chronic disease data for diabetes, depression, asthma, tobacco use

- Baseline: Point in time 2019, CentraCare quality and electronic health record data
 - Optimal Diabetes- 47.4%, 8% below target rate of 55.4%
 - Depression 6 month remission- adult 11.8%, 7.2% below target rate of 19%
 - Depression 6 month remission- Adolescent 10.6%, 8.4% below target rate of 19%
 - Optimal Asthma- adult 60.8%, 11.4 % below target rate of 72.2%
 - Optimal Asthma- peds 76.3%, 1.9% below target rate of 78.2%
- Baseline: In 2017, St. Cloud Hospital had 12,568 tobacco users admitted, with average charges \$7,074 higher than non-tobacco users. Also, in 2017 20% of all CentraCare Health patients used tobacco- CentraCare electronic health record, 2017.
- Baseline Tobacco: 13.8% of MN adults used tobacco. 2018 Minnesota Adult Tobacco Survey, Clearway and Minnesota Department of Health
- Baseline: 20% of residents in Benton County with less than a high school education are smokers, and 25% of Sherburne County residents with this same education level (Stearns County rate is 14% for this same population). These rates are high compared to the 3-county region rate of 14% of residents classified as a current smoker, regardless of education levels- 2016 Central Minnesota Community Health Survey, Question: Cigarette Smoking Status. Responses: Current Smoker, Former Smoker, Never Smoked.

Central MN CHIP 2019-2022 Implementation Strategy

 Strategy 1: Establish or grow one resiliency program (Bounce Back Project, Yellow Zone, Change to Chill, 40 Developmental Assets, Positive Social Norms) in each County.		
Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Establish Elk River as a Bounce Back community. Various sectors utilizing Yellow Zone Toolkit components. Impact the lives of individuals, communities, and organizations by promoting "Health Through Happiness".	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Gina Loterbauer- Public Health Nurse, Benton County Kara Zoller- Health Promotion Supervisor, Sherburne County Kristen Sanders- Lead Public Health Nurse, Sherburne County Mike Matanich- Public Health Supervisor, Stearns County Danielle Protivinsky- Public Health Coordinator, Stearns County Melissa Pribyl, Community Health/Wellness Specialist Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing 2019-2022		
Progress Notes:		

 Strategy 2: Create an index of community partners participating in resiliency programs.		
Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: An index will be created.	Persons in Charge: Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: By 2/28 of each fiscal year 2019-2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 3: Core Support Team will highlight the work done in this area at the Community Meetings in Goal 1.

<p>Agency:</p> <p>Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre</p>	<p>Outcome:</p> <p>Evidence-based and best practice resilience programming will be shared at community meetings.</p>	<p>Persons in Charge:</p> <p>Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare</p>
<p>Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being</p>		
<p>Target Date: By 2/28 of each fiscal year 2019-2022</p>		
<p>Progress Notes:</p>		

Central MN CHIP 2019-2022 Implementation Strategy

Early Childhood / Schools

Goal:

The Region will utilize engagement with the early childhood and school system to work on the top community priorities of building families and mental well-being.

Performance Measure:

Increase engagement with schools and early childhood education programs to build relationships between school and community health system personnel. Meetings held between schools/early childhood education programs and community health system personnel will be counted.

Population Measures:

Number of 9th grade females who have considered suicide

- Baseline: 1 in 4 female 9th graders has considered suicide. Females are 3 times more likely to have considered suicide in the past year- 2016 Minnesota Student Survey, Table 28, Question: Have you ever seriously considered attempting suicide (Mark all that apply)? Responses: No; Yes, during the last year; Yes, more than a year ago

Percent of 9th graders who feel that teachers and adults in their school care about them

- Baseline: **MN Student survey data, need to put data in here**

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 1: Expansion of school outreach will take place in each county.

<p>Agency:</p> <p>Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre</p>	<p>Outcome:</p> <p>Schools will be connected with this Action Plan.</p> <p>Support United Way Resource Centers & Explore Birth to 8 Initiative in Benton County.</p> <p>Expand preventative health services/education in school buildings in Sherburne County.</p> <p>Collaborate through Stearns County Youth Services Taskforce & Stearns County Family Services Collaborative.</p> <p>Continue <i>Feeling Good MN</i> programs and add Suicide Prevention Program Manager outreach at CentraCare.</p>	<p>Persons in Charge:</p> <p>Nicole Ruhoff- Public Health Supervisor, Benton County Tammy Seifert- Public Health Supervisor, Sherburne County Mike Matanich- Public Health Supervisor, Stearns County Melissa Godwin- Public Health Coordinator, Stearns County Jodi Gertken- Community Wellness Program Director, CentraCare Ryan Engdahl- Director of Operations, Behavioral Health, CentraCare Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare</p>
<p>Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being</p>		
<p>Target Date: 2021</p>		
<p>Progress Notes:</p>		

Strategy 2: Collaborate with the city to have established safe routes to school.

<p>Agency:</p> <p>CentraCare Health- Sauk Centre</p>	<p>Outcome:</p> <p>Decrease pediatric trauma and keep our children in our community safe.</p>	<p>Persons in Charge:</p>
<p>Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being</p>		
<p>Target Date: June 2022</p>		
<p>Progress Notes:</p>		

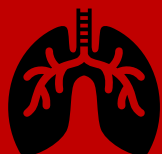

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 3: Package the work that is being done in the other goals of this Implementation Strategy in a way that can be shared with school personnel.

<p>Agency:</p> <p>Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre</p>	<p>Outcome:</p> <p>Talking points developed; Bring this information to school partners.</p>	<p>Persons in Charge:</p> <p>Nicole Ruhoff- Public Health Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare</p>
<p>Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being</p>		
<p>Target Date: New materials created by April of each fiscal year 2019-2022</p>		
<p>Progress Notes:</p>		

Central MN CHIP 2019-2022 Implementation Strategy

Health Care System

Goal:

The Region will utilize the health care system to work on the top community priorities of building families and mental well-being.

Performance Measure:

- Promote the use of preventive assessments in the region by measuring the number of assessments completed and staff capable of administering the assessments
- Promote development of integrated clinics in the region by measuring the new integrated clinics developed

Population Measures:

Delays in residents getting mental health care

- Baseline: 10% of residents in the 3-county region did not get or delayed getting Mental Health care. Among females, 15% did not get or delayed getting the Mental Health care they needed. This rate also increases among residents living below 200% of the poverty line at 19% not getting or a delay in getting mental health care- 2016 Central Minnesota Community Health Survey, Question: During the past 12 months, was there a time when you wanted to speak with a health professional about mental health issues but didn't/delayed getting it. Responses: Yes or No

Percentage of CentraCare patients with "Depression 6-month remission" rates for adults and adolescent

- Baseline: Depression 6-month remission- adult February 2019 11.8%, 7.2% below target rate of 19%
- Baseline: Depression 6-month remission- Adolescent February 2019 10.6%, 8.4% below target rate of 19%

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 1: WIC clinics will be integrated with the health system within the region.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health	Outcome: Expanded WIC accessibility and improved customer service.	Persons in Charge: Nicole Ruhoff- PH Supervisor, Benton County Lindsey Ahlert- WIC Coordinator, Sherburne County Lindsay Hackett- PH Supervisor, Stearns County
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: 2020		
Progress Notes:		

Strategy 2: Integrated clinics will be explored in each county.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Advocate for rural and western end of Benton County for improved health provider access. Complete the roll-out of in- person and telehealth Integrated Behavioral Health (IBH) to primary care sites across CentraCare Health.	Persons in Charge: Nicole Ruhoff- PH Supervisor, Benton County Ryan Engdahl- Director of Operations, Behavioral Health, CentraCare Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Ongoing 2019-2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 3: Implement “Depression” as one of the four focus social determinants of health recognized in Epic electronic medical record.

Agency: St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome: Increase the amount of staff administering depression screening and referrals.	Persons in Charge: Dan Backes- Manager of Population Health, CentraCare Julia Gordon- Community Resource Liaison, CentraCare Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: TBD		
Progress Notes:		

Strategy 4: Establish monthly OB GYN services.

Agency: CentraCare Health- Sauk Centre	Outcome: Provide OB GYN services to our patients to continue care within the network instead of transferring.	Persons in Charge: Dave Walz, Senior Director Family Birthing, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input type="checkbox"/> Mental Well-Being		
Target Date: July 2020		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 5: Establish care plans for patients to reduce opioid use.

Agency: CentraCare Health- Sauk Centre	Outcome: Decrease chronic opioid prescriptions for patients with chronic pain that is not related to end of life care	Persons in Charge:
Priority: <input type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: 2020		
Progress Notes:		

Strategy 6: Refer inpatients that score high on the Columbia screening tool to behavioral health services prior to discharge.

Agency: CentraCare Health- Sauk Centre	Outcome: Provide mental health services to those that are in crisis.	Persons in Charge:
Priority: <input type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: 2022		
Progress Notes:		

Central MN CHIP 2019-2022 Implementation Strategy

Strategy 7: Package the measurements collected for this goal in a way that can be shared with partners and the community.

Agency: Benton County Public Health Sherburne County Public Health Stearns County Public Health St. Cloud Hospital CentraCare Health- Melrose CentraCare Health- Paynesville CentraCare Health- Sauk Centre	Outcome:	Persons in Charge: Nicole Ruhoff- PH Supervisor, Benton County Amanda Larson- Manager Public Health and Econ. Supports, Sherburne County Peggy Sammons- Human Services Planning Coordinator, Stearns County Katy Kirchner- Director Coordinated Care, CentraCare
Priority: <input checked="" type="checkbox"/> Building Families <input checked="" type="checkbox"/> Mental Well-Being		
Target Date: Twice every year prepare strategic update for the Delegated Authorities meetings 2019-2022		
Progress Notes:
